

# CISCO CERTIFIED INTERNETWORK EXPERT

**Acronym/Nickname**  
CCIE

**Certification Body**  
CISCO

**Description**

CCIE is Cisco's highest level of professional certification  
  
Put your knowledge and experience to the test. Achieve Cisco CCIE certification and accelerate your career.  
  
Cisco CCIE Voice certifies expert-level knowledge of voice-over-IP solutions in the enterprise.

**Certification Level** Expert

**Covered competencies**

In addition to general certifications, network professionals can enhance their core networking knowledge by achieving specialist certification in technologies such as security, IP telephony, and wireless.

**Requirements**

**Step One: CCIE Voice Written Exam**  
You must pass the two-hour, written qualification exam covering those technologies and applications that comprise a Cisco Enterprise VoIP solution before you are eligible to schedule the lab exam.  
  
**Step Two: CCIE Voice Lab Exam**  
The eight-hour lab exam tests your ability to get the VoIP solution operating in a timed test situation. You must pass the lab within three years of passing the written to achieve certification. Your first lab attempt must be made within 18 months.

**Target**

- Employee
- Channel Partner / Reseller
- Customer

**Career Path**

Various tracks—such as Routing and Switching, Network Security, and Service Provider—are available, so that you can match your certification path to your job role or industry.
