Description		Certification Level	
<p>CompTIA Server+ validates the knowledge and skills of advanced IT technicians. It is an international, vendor-neutral certification for individuals with 18-24 months of experience with Industry Standard Server Architecture (ISSA) technology. CompTIA Server+ certifies technical knowledge in areas such as RAID, SCSI and multiple CPUs, as well as capabilities with server issues, including disaster recovery. Although not a prerequisite, it is recommended that CompTIA Server+ candidates hold a CompTIA A+ certification.</p> <p>Many corporations recognize the importance of staffing technicians who can competently perform basic server support. Companies such as CDW Computer Centers and CompuCom value the CompTIA Server+ certification and require it of their IT employees.</p>		<p>Covered competencies</p> <ul style="list-style-type: none"> • Proof of professional achievement, leading to better job opportunities. <ul style="list-style-type: none"> ○ CompTIA Server+ validates your experience with server technology, showing employers that you are capable of maintaining their company servers. • Credibility and respect in the workplace. <ul style="list-style-type: none"> ○ More than 70 percent of certified professionals say that credentials give them more prestige among their colleagues.* • Validation of achievement in an industry-valued skill. <ul style="list-style-type: none"> ○ Fifty-one percent of IT professionals believe certification leads to a greater demand for their services.* • Increased knowledge, leading to increased job satisfaction. <ul style="list-style-type: none"> ○ Ninety-three percent of CompTIA certified IT professionals feel their customers are in qualified hands, and 84 percent say they have the confidence and required skills to do a superior job.** • Viable career path, leading to higher level positions. <ul style="list-style-type: none"> ○ Seventy-four percent of IT managers say a CompTIA certification is an important factor in considering an employee for a promotion.** <p>Requirements CompTIA Server+ Exam 2005: SK0-002 CompTIA Server+ E2C Exam 2005: JK0-009</p>
