

IBM Certified Application Developer - IBM Lotus Component Designer 6

Acronym/Nickname		Certification Body IBM	
Description		Certification Level	
<p>Lotus highly recommends using a variety of resources to prepare for certification exams. In all cases, you must start with the exam guide to determine which tasks will be covered on the exams. Equally as important, actual hands-on experience is required. From there, we recommend that you choose from the following preparation options.</p> <p>During your preparation, it is important that you review the exam guide periodically to make sure that all of the material in the exam guide is covered in your choice of preparation methods. It should be noted that there is not a one-to-one correspondence between these preparation methods and the exam.</p>		<p>Covered competencies Covers Lotus Component Designer material as it relates to these competency areas:</p> <ul style="list-style-type: none"> • Component Options • Composite Applications • Creating components • Deploying components • Programming Components • Using UI Controls <p>Requirements</p> <p>Actual hands-on experience is a critical component in preparing for the exam. Direct application of the skills learned cannot be substituted by any one other resource listed here. You must spend time using the product and applying the skills learned. The exam is looking to measure how well you know how to perform tasks, not how well you memorize features and functions.</p> <p>Exam 846: Creating Application Components Using IBM Lotus Component Designer 6</p>	
Target IBM Business Partners and IT professionals		Career Path	
		<ul style="list-style-type: none"> • IBM Certified Application Developer - IBM Lotus Component Designer 6 • IBM Certified Solution Developer - IBM WebSphere Portal V6.0 • IBM Certified System Administrator - IBM WebSphere Portal V6.0 • IBM Certified Application Developer - IBM WebSphere Portlet Factory V6.0 • IBM Certified System Administrator - IBM WebSphere Portal V5.1 • IBM Certified Solution Developer - IBM WebSphere Portal V5.1 	
Authorized Testing Center: Prometric	Indicative Fee* 80 USD	Certification Schedule*	
<p>* Fees are exclusive of VAT and wire transfer fee ** Fees and schedules are subject to change without prior notice, please get in touch with Authorized Testing Centers through contact details below</p>			
Recommended/Preparatory Training			
<p>IBM Authorized Curriculum Instructor- led training Using IBM Lotus Component Designer 6 (WP470)</p> <p>Other online learning or training Using IBM Lotus Component Designer 6 (WP475)</p> <p>Practice Test Products Coming soon.</p> <p>IBM Redbooks Not available</p> <p>Lotus Product Documentation Using Script Libraries Creating a composite application using IBM Lotus Component Designer</p> <p>Other Preparation Resources IBM Lotus Component Designer 6 Help (supplied with product)</p>
