

Computer Programming Certification and Civil Service IT Specialist Eligibility

Acronym/Nickname

Certification Body
NCC & CSC

Description

The ICT Proficiency Exam is designed to assess the competence of an individual to perform programming functions. This is in pursuant to PD 1408, which directs the National Computer Center (NCC) and the Civil Service Commission (CSC) to devise ways of determining the fitness of individuals in occupying highly technical ICT positions and through which the awarding of appropriate ICT (EDP) Specialist eligibility will be based. NCC and CSC therefore conduct tests in the area of Computer Programming.
