

# Hyperion System 9 BI+ 9.0 Administrator Certified Expert

## Acronym/Nickname

## Certification Body

Oracle

## Description

With Oracle 9 BI+ software, in a single system you gain a comprehensive business intelligence platform with the industry's broadest range of management reporting and analysis capabilities. IT directors and their teams no longer have to grapple with the expensive and time-sapping development, deployment and administration of numerous business intelligence products and tools. Use your skills and become a Oracle Certified Expert on BI+. A combination of training, hands-on field experience, product familiarity, and self-study is recommended.
